

\$100,000 gift to scholarships

In the largest bequest to date, **Joseph Anthony Salicrup, '31**, who passed away in Sao Paulo, Brazil last January, has left \$100,000 to the AMA Alumni Association to support the AMA scholarship funds.

Salicrup lived in Sao Paulo most of his life and also had a home in Rio de Janeiro. Born in Lima, OH, he listed Rio as his home when he was a cadet at AMA. The income from this generous bequest will make it possible for the alumni association to provide more and larger scholarships in the years to come.

'99 reunion plans center on Alumni House

The last day of April and the first day of May have been confirmed as the dates for the 1999 AMA Alumni Reunion. The reunion's theme will center on the dedication of the Roller-Robinson house on campus as the AMA Alumni House and Museum.

Fishburne Military School (FMS) will send a color guard to participate in the dedication. Alumni will lunch in the refurbished gym where they had walked across the stage to receive their diplomas. A new hospitality tent outside the headquarters hotel will accommodate the increased registration that is anticipated for the weekend. Reunion Chairman **Tommy Simmons, '53**, has reserved a block of rooms at the Holiday Inn Golf and Conference Center for the reunion weekend. The hotel is taking reservations now at an 800 (toll free) number (See '1999 AMA reunion' on page 22)

The hospitality tent will be ready for business Thursday afternoon 29 April for the "early birds," and will be open throughout the weekend. Simmons has asked that alumni make contributions of cash or food and drinks for the hospitality tent.

Dear Fellow Alumnus:

In the last issue of *The Bayonet*, you saw the initial list of charter members of the Roller Society. In this issue, we are announcing the largest gift to the AMA scholarship funds received to date.

Joe Salicrup, Class of 1931, passed away earlier this year. Because of his love for AMA and his acknowledgement of what AMA did for him, he has left the AMA scholarship funds \$100,000. This magnanimous and unselfish gift will provide scholarship monies for many years to come. The income from this bequest will be funding stipends for young men and women not yet born. Each will understand that their help came from a special man out of his love and affection for Augusta. Thus is our legacy preserved!

We all can't leave \$100,000 to AMA, but each of us can do *something*. Consider today how you might leave something behind for AMA after you are gone. You can put Augusta in your will, you can set up a trust, or you can put AMA on an insurance policy as a full or partial beneficiary. Each issue of *The Bayonet* will outline ways that you can perpetuate the name of Augusta Military Academy without imperiling yourself or your family. Will you please think about it? Thank you so much.

Class agents are needed for 1974 and 1979 years

In anticipation of another record turnout for the 1999 AMA alumni reunion, the search is on for class agents from the years 1974 and 1979.

Ed will send you the mailing address labels for all the members of your class who are in the association's records so that you

can make contact with them. He also has a list of those cadets from '74 and '79 who have become "lost" to the alumni association. Perhaps you will know where some of these fellows can be located!
