

AMA Alumni House moves ahead

Church will lease Roller house to association

A lease to be drawn between the Augusta Military Academy Alumni Association and the consortium of Pentecostal churches that now owns Augusta will establish the AMA Alumni House, to include an AMA Museum, in the old Roller House in the center of the school campus. Alumni House will be headquarters for the alumni association and will contain the alumni offices, space for storage of alumni records and memorabilia, and will feature the long sought AMA Museum on the first floor. "The AMA Alumni House will be the focus of all alumni activities and the center point of our efforts to perpetuate the name and legacy of Augusta," said AMA Alumni Association President **Goodloe Saunders, '57**.

The historic Roller House was built sometime after the Civil War by **Professor Charles S. Roller**, founder of the school. In the house were born **Colonel Thomas Roller, Major/Colonel/General Charles Roller, Jr.**, their brother **Dr. W. C. Roller** and **Maggie Belle** who in later years married **Colonel Warren Robinson**. She lived in the house until her death in 1956. Help sought in getting items for AMA Museum

AMA alumni, faculty and friends are being asked to consider donations of items and memorabilia that will help tell the Augusta Military Academy story in the planned AMA Museum on the campus. **John Hash, '75**, Chairman of the Museum Committee, requests those who have "appropriate things for the museum to let us know. But please, please, don't send anything yet!" Hash explained that there is much to be done before any items are accepted for display or as archival material.

"We have nowhere to store things at this point," he said. "But we are eager to hear what you have that will help us tell the AMA story in the best way possible." There is a particular interest in obtaining items from the early days of the Augusta Male Academy and Augusta Military Academy. The Museum Committee, in addition to Hash, consists of **Paul Bratton, '48, Steve Trent, '70, Duke Fancher, '58, Frank Spencer, '49, Struges Bryan, '58** and **Tommy Mitchell, '52**.

If you have something you want to donate or lend to the museum, please send a note to John Hash, c/o AMA Alumni Association, P.O. Box 101, Fort Defiance, VA 24437-0101. Just a note! Not the items you'd like to donate!
