Reunion 2001 plans set

AMA's Reunion 2001, the first weekend in May, will salute every cadet who played in any sport while at Augusta. And whether you played or were a spectator, the Reunion promises a great time for all who attend.

Garry Granger, '71, Reunion Chairman, has announced that Lombardi Trophy winner and College All American **Jim Stillwagon, '67**, will speak at a Saturday luncheon just after alumni gather for photos with other cadets who played the same sport.

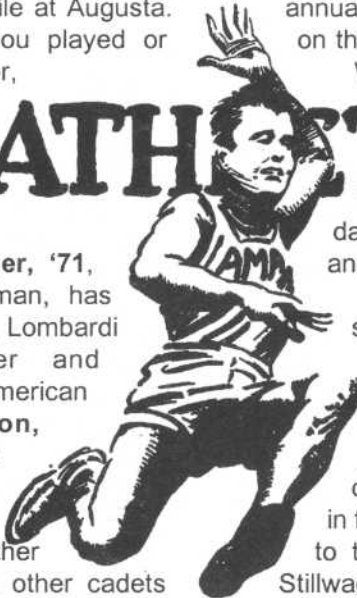

Those who arrive on Thursday 3 May will have an opportunity to play golf at

Ingleside followed by a reception at the Staunton Country Club. On Friday 4 May, the AMA Open Golf Tournament will be played at the Club in the morning and the third annual Fishburne/Augusta tennis match will be played on the Club's courts in the afternoon.

While this is going on, the Association will sponsor a trip to historic New Market and a visit to the Dayton Farmer's Market. The Awards Banquet is Friday night when AMA Legacy Scholarship winners and AMA Medal recipients will be honored.

On Saturday 5 May, the membership meeting starts the day followed by the AMA Alumni Association Board meeting in the Holiday Inn Golf and Conference Center. Events then move to the campus in Fort Defiance where a plaque honoring Vietnam War KIA's will be dedicated. The sports team photos will be taken in front of Big Barracks, then the group will adjourn to the AMA Gymnasium for the luncheon where Stillwagon will speak. Founder's Day ceremonies will be held in the Stone Church Cemetery following lunch. A sporting clays shoot follows, and Saturday evening will see a Kentucky Derby party, a Cinco de Mayo celebration, and a pizza party and dance. Quite a weekend!

Winter 2001

Dear Fellow Alumnus:

Elsewhere in this issue, you will find news about our new Augusta Military Academy Alumni Foundation. The Foundation is the vehicle that will carry the name of AMA, and our good works, forward forever!

While we welcome the creation of the Foundation, we really have no other choice. The AMA Legacy Scholarships, the VMI Scholarships, the AMA Museum, and *The Bayonet* are all educational, charitable and research activities. As such, those who donate for these purposes are entitled to income tax deductions. Such things as purchases from the PX or the fees for our annual alumni reunions are *not* tax deductible. As we have moved into our AMA Alumni House, as PX sales have increased, and as attendance at our annual reunions has grown dramatically, it became necessary to separate those functions from our other programs.

The Foundation by its very existence guarantees that AMA's legacy will live on and on. Bequests and other gifts to the Foundation will continue to grow as we use the income to fund our scholarship awards, our museum and *The Bayonet*. We invite your questions, and your active participation in the funding and the programs of our Foundation. There is much work left for us to do, and we can't do it without your help!
