The following e-mail was received 4 August 2000 concerning the death of C. L. Craun:

"Mr. Charles Lester Craun attended your academy in his early years and still receives a copy of the Bayonet. He passed away a couple of days ago and his service is Thursday morning.

"We are looking for information to use in his memorial service. Do you have any information as to the years he attended and when he graduated and where he went after leaving your academy. If you receive this and would be able to get us information today or tomorrow, it would be greatly appreciated. Thank you in advance."

The Association was unable to make the deadline or to provide information other than that above..
