Otto Ascarrio Cuervo, our friend at AMA, died 12/21/2004 in Deer Park, Texas. Otto was born 1/24/33; he was 70 years old. He died of acute myocardial infarction at 4:40pm. His death was reported by a friend, Roger Sullivan. His body was cremated at Northwoods Memorial Funeral Home, 221 W Helms, Houston, TX 77037.

A copy of his certificate of death was mailed to the Alumni House, possibly by the same Roger Sullivan.

Otto Cuervo was one of three sons of Cuban Senator Pelayo Cuervo-Navarro who attended Augusta. Otto was there for five years: Master Sergeant, Band; Fencing; Cotillion Club.

Senator Cuervo was executed by Castro, **Orlando '47** and **Rolando '49** (also called Pelayo) both predeceased Otto. All three brothers were involved in the Bay of Pigs invasion.
