AUGUSTA MILITARY ACADEMY

FORT DEFIANCE VIRGINIA

Remembering our brothers who have passed from this life.

David E. Brewer ‘46

December 6, 1929 – August 26, 2022

“Dave has done as much for Augusta as any cadet could have done in his five years. Beginning as a private in Company “D”, he has advanced from that lowly office to a platoon sergeant; thence to Captain of “E’’ Company his fourth year, and then to First Captain this year. Adding to these honors are his being elected to the Ad Astra per Aspera, secretary of the student body, and honor committee membership. Athletically he foiled, sabred and finally epeed to win his Monogram. He was one of those rare cadets who was more interested in making Augusta a better school than bringing honors upon himself. Academically he was among the first.” 1946 Recall
