

Remembering our brothers who have passed from this life

John Lewis Einstein III, '63

June 17, 1942 - March 5, 2020

Pvt. 1, Sgt. 2; Capt. 3; Football 1-3; Roller Rifles 2,3; Track 2,3; Cotillion Club 1-3; RECALL, sports editor 3; Honor Committee 3.

John's making a career out of education! One of the most respected cadets at Augusta, John has a fine sense of humor, good athletic ability, and a deep seated belief in right and wrong. As company captain John has done an outstanding job. Taking pride in responsibility, he lives up to his capabilities. John's love affairs turned to cinders ever so often, but Stuart Hall provided the answer. Now John even sticks up for West Virginia!

JOHN LEWIS EINSTEIN III

March 5, 2020

John was a man of great wit and strong views, frequently expressed. He was a gourmet cook, a creator of spreadsheets, a staunch Democrat and a top-notch raconteur.

John attended Augusta Military Academy and Belmont Abbey College. He worked primarily in coal-related businesses.

He is survived by his children, Sarah, John IV, Robert, Haven and their families, including grandchildren, Sidney, Emory, John V, and a great-grandson, Malachi. He is also survived by a host of Polan relatives.

In his memory, please vote.

A private family service will be held at a later date.

Ad Astra Per Aspera: to the stars through adversity.

Klingel-Carpenter Mortuary is in charge of arrangements.

Published in The Herald-Dispatch from Mar. 7 to Mar. 8, 2020

His ashes will be spread in the Shenandoah Valley, his headstone here in Huntington will include the words "Ad Astra."
