AUGUSTA MILITARY ACADEMY

FORT DEFIANCE VIRGINIA

Remembering our brothers who have passed from this life.

Geofrey Grant Layng ‘47

September 1, 1929 – July 17, 2017

“A more interested cadet in the corps would be hard to find. Geof thinks of AMA first and himself secondly. As Captain-Adjutant this year he added further to his good work at Augusta. A member of the rifle team, he shot consistently that his scores help the team achieve the wonderful record they did this year. A true gentleman of Augusta if there ever was one, his leaving will remove from our midst one of the most respected and best liked cadets of the corps.” (1947 RECALL)

Capt. “Staff”: Rifle Team, Y.M.C.A. Cabinet, Roller Rifles, Baseball.
