

Remembering our brothers who have passed from this life

## Richard G. May, '62

October, 1944 - October 31, 2018

Cpl. 1; M/Sgt. 2; Color Guard 2; Fencing 1,2; Baseball 1,2; Honor Roll 1,2.

Rick carries on some of his finest conversations in his sleep — certify! Rick discovered that he could be a good student, and frequent appearances on the Honor Roll show that he is beginning to realize his academic potential. Quiet, sincere, and helpful, Rick is an honest and trustworthy boy. No one can say anything bad about Rick — not even about his motorcycle driving. Cordial and cheerful, Rick is, indeed, well liked. Place your bets on Rick to be a real success.

We are deeply saddened to announce the death of Rick May on October 31st, 2018 just one week following his 74th birthday.

After a second surgery during the summer, his cancer aggressively returned and took his life.

After graduating from AMA, Rick attended the University of Detroit before serving as a proud member of the United States Army. He became a highly successful salesman in the computer industry, and secured several contracts with the U.S. Navy.

Rick had an unwavering love for his family, and enjoyed travel, boating, snowmobiling, fast cars and motorcycles. He enjoyed sports, including golf and softball until falling ill with cancer.

With an empty “bucket list,” Rick lived life to the fullest, and will be forever missed by his family and friends. He’s survived by his wife Carlene, his children Chris (Stacy) and Julie McKenzie (Jay), and grandson Patrick. He will be forever remembered by his siblings Jack, Keith (Patty), Ginny May Robins, niece Kristin May Kuhn, nephews Justin May and Ryan Robins, and his grandniece Taylor Kuhn. Rick is predeceased by his parents Carl and Thelma, half siblings Carl W. May and Margaret Glynn, and first wife Joann
