Pvt., 1; Sgt., 2; Soccer, 2; Fencing, 1,2; Privilege List, 1,2; Honor Military Cadet, 1; Wrestling, 2. Nonchalant Mike may be, but the escapades of this cadet are more hair-raising than the stories on Outer Limits! Bovee and McCabe, Inc. have headed the crew! Mike has also been another Samson when it concerns his hair. Mike has graced the Privilege List and he can be a member of the Honor Roll. Anxious to be independent, determined to be an individual, Mike has gained a lot of friends. He can truly be an outstanding person.

Prior to starting his career in construction in the 70's which focused on Correctional facilities throughout the country and before moving to Vero Beach, Michael explored several oddball jobs as a younger man in Pittsburgh, PA. Michael was a long time member of Alcoholics Anonymous for over 30 years. He was a member of Noontime Recovery group before moving to Sebastian and making Club Sebastian his new home group. It was Michael's gift to work with others in need and he helped many young men find a life of sobriety and fulfillment Michael was one of the most SELFLESS men anyone could ever meet and truly made the world a better place, not for him, but for YOU and I. He is a treasure that will be cherished and truly missed.
