

Remembering our brothers who have passed from this life

Pvt., 1; Sgt., 2; JV Basketball, 1;

"C" Company's Paul Baker is far from being one of the quiet ones—he's just the jolly clown of the corner. Paul's frequent trips down US 11 have had perfect timing . . . his luck is fantastic. Paul never has tours! Mike, Joe, John and Paul always were in hot water during that first year, but strangely enough, Paul ended up like a rose. And he kept Capt. Tee in cologne! ! Joe claims he's out of his mind, but he only acts that way occasion. This boy never reveals his total personality ... he always knows where to hide it—in the obvious place.
