My time at AMA -- it was the best of times, it was the worst of times. It is now a memory I wouldn't trade or change for anything!

I was in **Lieutenant Brown's** classroom when word first came of President Kennedy being shot in Dallas.

I have fond memories of **Captain Nichols**, our company Captain, (Band Company), of **George Washburn**, my roommate, and of constantly waxing our barracks floor, polishing brass and shining shoes.

I have not so fond memories of **Captain Seigler** and his sawed-off (down the middle) baseball bat. God help you if he caught you talking in his classroom.

Remember those care packages from home and all the trips down to the Fort, if you had any money or a charge account at the Fort?

Yes, they were truly the best of times.
