Oral History

Oswald O. "Coyote" Ferro, '53
May 22, 2002

My four years at AMA were formative in my life and still memorable today. I have nothing but the fondest memories of AMA and all the staff and cadets.

I am convinced that AMA did more for me and my classmates than any other experience in our lives -- an experience so great that after all these years we are still thinking of and remembering the times we had and the people we met.
