REVENGE

In the spring of 1964 at graduation time, two cadets working on the "Recall" decided to avenge certain psychic injuries inflicted by a teacher and they decided that if a certain boxer won a fight on TV that evening they would do the deed, but wouldn't if that fighter lost.

The boxer won the match, so in the year book that Spring there appeared a photo of a teacher with the caption that read "*****, PhD, BA, SOB."

After this crime, all copies of the book were recalled and the offending page removed.

The guilty cadets graduated and went on to non-criminal careers.
